

Studies recommend 20 - 25 unit seniors complex

If recently completed housing studies, carried out in three municipalities in the Minden area, are endorsed by their respective councils, a new 20 to 25 unit apartment complex for seniors could be constructed in this village.

That possibility is the result of studies undertaken earlier this year by the Ontario Ministry of Housing and the three municipalities which include Anson, Hindon and Minden, Lutterworth and Stanhope townships. The purpose of the studies was to

identify the need for government sponsored geared-to-income or low rental housing in the three municipalities.

According to the findings, there is enough need in the three municipalities to warrant the construction of the senior citizen complex.

While a survey was carried out in each of the participating townships, housing officials and local politicians were aware that, individually there would probably not be enough need in a single municipality. However, by

combining the findings of the three reports, the ministry officials have indicated there was enough interest shown to warrant the construction of an apartment building for seniors with up to 25 units to serve all three municipalities.

The findings of the report were presented to the councils at a joint meeting held November 17 in Minden. At that time the councillors in attendance appeared to endorse the findings and were supportive of the project.

The first step in getting the

complex constructed will involve the approval from each municipality, first, of the details contained in the housing study, and secondly, an endorsement of the proposal to have the complex constructed.

According to a project coordinator from the Ministry of Housing, Sid Palmer, if the councils agree to proceed, the cost of building and maintaining the structure will be the responsibility of the federal and provincial governments, along with the tenants. He

said there would be no additional burden on the local taxpayers as a result of the project.

Under a program established by the ministry, a municipal non-profit corporation would be established to oversee the project. With representatives from the three councils, or appointed by them, the corporation would work with the provincial authorities to get the project started. Funds to cover initial operating expenses would be available to the corporation in the form

of a grant of up to \$5000.

Once the corporation had decided on a design and cost, both which must fall under Ministry of Housing guidelines, it would borrow money from a recognized mortgage institution to finance the project. Under the program the federal government would accept responsibility for all expenses incurred, except for two percent, which forms the province's share. Once the

First snowmobile accident causes \$2000 damage

The first snowmobile accident of the season was reported to the Minden detachment of the Ontario Provincial Police Sunday. The incident, in Monmouth Township, resulted in \$2000 damage to the machine and a trip to the hospital for the driver.

According to the authorities, Gregory K. Archer, 24, of the Cobourg area, was driving his machine along a township road when he lost control of the sled, it became airborne, rolled over, struck some trees and rocks and came to rest at the side of the road. Archer was taken to Haliburton Red Cross Hospital where he was treated for facial cuts and bruises.

The road a light dusting of snow at the time of the incident.

Police have charged Archer with careless driving. The investigating officer was Constable Boyd Jarvis.

Truck rolls

A truck accident at Miner's Bay south of Minden resulted in \$20,000 damage and resulted in serious injuries to the driver.

The 1979 International dump truck was being driven by David Gartshore, 23, of Hindon Township, when the vehicle entered the ditch and rolled over. The mishap occurred Friday at 7 p.m.

Gartshore sustained serious injuries in the accident while a passenger, William Stamp, also 23, of Haliburton was only slightly injured.

Constable Bob Pearson is the investigating officer.

An owner of a cat looks on as Minden veterinarian Dr. Peter Bennett inoculates the animal against rabies. Over 300 pet owners in the area took advantage of the special clinic Saturday at the municipal garage to have their animals protected against the fatal disease. The special clinic was sponsored by the local health unit.

Chamber announces creation of tourism, convention bureau

A plan to split the operations of the Haliburton Highlands Chamber of Commerce into two distinct bodies was announced this week by Chamber manager Bob Stinson. The plan, approved at the last board of directors meeting, would see a new tourist and convention bureau formed within the chamber.

According to the manager, the division will mean that tourist promotion for the county will operate under its own budget. This sector will be responsible for the promotion of the county for both individual travellers and convention business. The press release announcing the

change, indicated that more interest is being shown in the area by businesses wanting to hold conventions or business meetings here.

While the new sector will be responsible for promoting the county, the existing Chamber of Commerce will look after the needs of those not involved in the tourism business.

Stinson stressed that it would be up to the individual members of the Chamber to determine which sector they will support with their membership fees. He noted that a member may indicate that all of his fees should be used to support one sector, or that the fees be split between

the two. He said that each sector will have to work within the budget restraint imposed by the finances which the members see fit to give it.

"One of the major controversies over the years has been how much of the Chamber's energies should be devoted to tourism," the president of the chamber, Rhonda Elstone commented. "This arrangement should lay this argument to rest once and for all. The amount of activity in either sector will relate directly to the direction provided by the membership when they pay their dues."

The present board of directors will oversee the

operation of the new bureau with a special committee established to administer it. Members of the committee include Jim Orr of Sir Sam's Inn, George Schmid of Beaconbrook Hotel, Keith Stephenson of the Haliburton Highlands Golf Club, Dennis Casey of the Sky Slide and the Ministry of Industry and Tourism representative, Bruce Potter.

According to the press release which accompanied the announcement, the split should mean that those Haliburton County business people who were reluctant to join the organization can now identify with one aspect of the organization's operation.

November was a quite pleasant month, more than normal sunny days and less than normal rain and snow. Most small lakes frozen over, larger lakes all open.

outdoors

by Ron Reid of the Federation of Ontario Naturalists

The church bells of South Cayuga rang late into the night of November 18, as local residents celebrated their victory. Earlier that day, Dr. Donald Chant, Chairman of the Ontario Waste Management Corporation, had announced that the proposed South Cayuga site for treatment and landfilling of liquid industrial waste had been unanimously rejected by the corporation's board.

This decision stemmed from detailed site investigations, which demonstrated the presence of limitations such as shallow bedrock, flood-prone

lands, and buried drumlins. The hidden drumlins, which are glacial features that could act as an easy escape route for waste to reach the bedrock and ground waters, were a surprise to hydrogeologists. Based on the probability that more drumlins lay beneath the surface clay, the Corporation decided that South Cayuga must be considered a marginal site, and that they should look elsewhere.

For people outside Cayuga,

however, the Corporation's decision is no cause for celebration. If you live in Huron or Bruce or Lambton, where a previous study suggested suitable sites, your neighbourhood may be the next to be selected for the \$60-million facility. If you are concerned about efficient action on the problem of industrial waste, the Cayuga decision means \$100,000 and close to a year wasted. If you are concerned about the environmental assessment process, which was by-passed in the urgency to establish South Cayuga, nothing has changed. Even though the Corporation is now seeking alternative sites, and will be

holding extensive hearings, the Government still refuses to make use of the Environmental Assessment Act.

In the meantime, the crisis on waste handling seems to have eased a little. Our industries still produce 60 million gallons of liquid wastes a year, but the 23 landfills accepting these toxins three years ago have been reduced to 8. The aim of the Waste Management Corporation is to see all of these landfills phased out, but the arduous process of finding a site for the sophisticated facilities needed to replace them remains ahead of us.

Senior Apartments

(from page one)

building is opened and operational the income derived from the tenants would be used to offset the operating expenses, including the mortgage costs.

However, if the rents do not cover all the expenses, the federal and provincial authorities will continue to participate in the program on the basis outlined above. Up to 50% of the tenants would be eligible for rents based on their incomes.

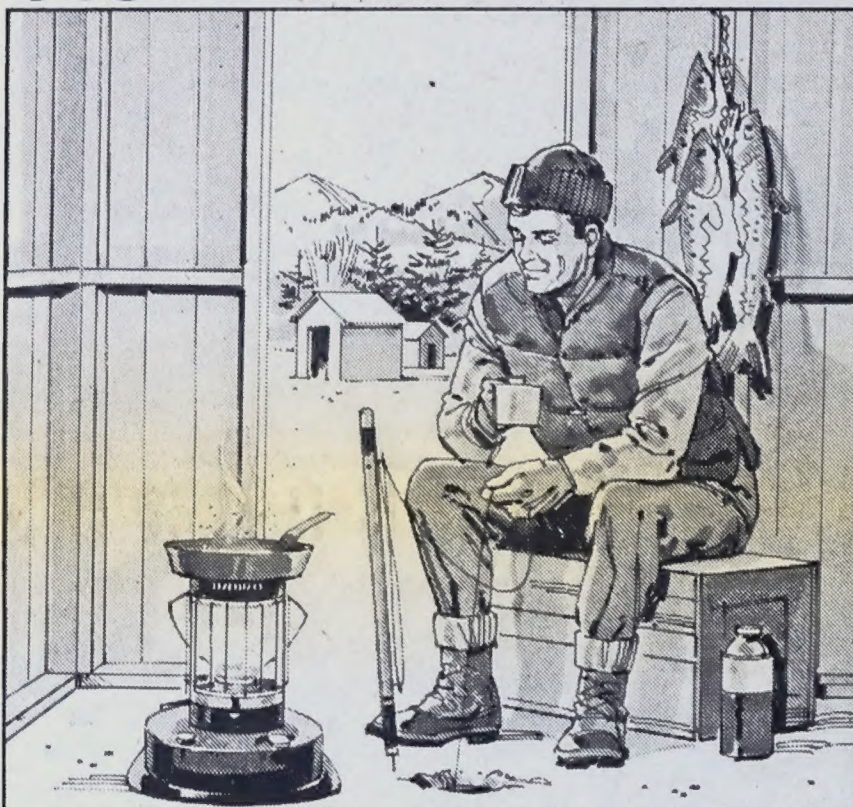

The study showed that most seniors who were interested in the possibility of living in an apartment complex, wanted the structure to be in the immediate Minden area. Palmer pointed out that this was in recognition of the services and amenities which already exist in this community.

Palmer was unable to reveal what the project may cost. He said the Ministry of Housing has certain guidelines it uses to judge the bids received on a project like this, including a top price. He said, however, if the price was made public, it could distort the tendering process.

"We are not interested in people who want to build monuments," he commented, "we are looking for well-built, moderately priced housing that will meet the needs of senior citizens."

Palmer noted it could take two years to complete the project.

CHRISTMAS SALE FISH HUT SPECIALS

Why catch cold when you came to catch fish?

A Kero-Sun Moonlighter™, for instance, will keep you warm and cozy for 36 hours on 6.4 liters (1.42 gal.) of kerosene. It even has a cooking surface for heating coffee or frying up the morning's catch, plus enough light to read by when the fish aren't biting.

99.9% fuel efficiency means odorless, smokeless operation. Battery-powered ignition system and automatic

shut-off device. 7 models to choose from. Ask for a demonstration today.

How suite it was!

Once again the patrons of the Highlands Little Theatre were treated to an evening of fun and laughter when they attended the group's latest production of Neil Simon's Plaza Suite. The play was presented last Thursday, Friday and Saturday evening.

The play is in three acts, each one being a play in itself, and each taking place in the same suite (719) at the Plaza Hotel in New York City.

In the first act, Visitor from Mamoroneck, directed by Lila Mitchell, Caryl Douglas and Dale McConnell ably portrayed the characters Karen and Sam Nash, a long-married couple spending the night in the suite, which incidentally had been their honeymoon suite twenty-four years previously. Caryl Douglas once again showed her talent and excellent timing as the ageing, slightly ditzy, but wholly on the ball wife, and was a perfect foil to McConnell's portrayal as a Peter Pan of computers. Curtis Eastmuir and Lynn Graham played their parts very well also, Graham as the secretary (and Sam's latest affair) and Eastmuir doubling as bellboy and waiter (twins, no doubt).

Act two - Visitor from Hollywood, directed by Dan Ratcliffe, was a study in the whims and mind changings of women (or one woman) -

Bonnie Fitzgerald as Muriel Tate. She portrayed a high school sweetheart of the often married and now famous, old boyfriend, Jesse Kiplinger played by Stan Ashman. Fitzgerald gave a very good performance as the lady who comes to see how the old sweetheart Jesse has changed after many years of being a big Hollywood producer, and to hear "straight from the horse's mouth" how all the big stars in Hollywood really behave. Her performance as a vacuous, weathervane type was excellent as was Ashman's, rather lecherous, leering, but lovable characterization.

In the third play, Visitor from Forest Hills, directed by Heather Scully, Mama and Poppa Hubley, Betty Perugino and Glen Carter, are a couple renting the suite for the day as their daughter, Heather Scully, is to be married downstairs in the Green Room. The bride, however, is having second thoughts when the scene opens, and has locked herself in the bathroom. No amount of coaxing or threatening by her sorely-tried parents can make her come out. After various, hilarious attempts by both, including a "heart attack" on Moma's part and a parapet crawl on Poppa's, the groom (Glen Scully) is finally summoned. He walks to the bathroom door and in

Members of the Highlands Little Theatre Plaza Suite cast included, from the left, Bonnie Fitzgerald, Stan Ashman, Curtis Eastmuir, Caryl Douglas, Dale McConnell, Lynn Graham (seated) Glen Scully, Heather Scully, Glen Carter, and Betty Perugino, both seated on the couch. The play was presented last week at the HHSS auditorium.

two words "Cool it" has the bride radiant and ready to go.

The production was thoroughly enjoyable (as always) and the cast are to be congratulated in bringing some laughter and pleasure to

the County once again. Co-ordinating director for the plays was Dan Ratcliffe. Members of the production

crew did an excellent job. They include, Brenda Ellis, Darlene Freeman, Marilyn Mighton, Miriam Barnes,

Wayne Henderson, Sandy Willis and the Minden Figure Skating Club (for refreshments between acts).

Police investigate three thefts

Police are currently investigating three thefts which occurred in the Minden area during the past week.

The first incident involved the theft of close to \$5000 in jewellery from a home on Highway 35 in Lutterworth Township.

The home was entered during the daylight hours of December 2. No one was home at the time the robbery took place. The jewellery is the property of Diane Warne.

The matter is being investigated by Constable Michael Maher.

Police are also investigating

the theft of tape decks and speakers from vehicles parked in Minden. The break-ins took place during the night of December 4 - 5.

Two vehicles were entered and property belonging to Scott Gartshore and John Stevenson was taken.

Constable Bill Clendenning is the investigating officer.

Operation Identification

County residents who are concerned about thefts or loss from their homes and cottages could take advantage of a special program being offered by the Minden OPP. Under

the name, "Operation Identification" the police are circulating a special engraving pen for marking numbers on valuable items.

By marking these objects with their driver's licence number, or some other similar, easily identified number, the owner will help discourage potential thieves and, if the property is lost or stolen, speed its return when it is found or recovered.

The OPP will be making this pen available to county residents through the various post offices serving the area. At the moment the pen is located at the Dorset post office where residents of that area can borrow it to mark their property. During the next few months the engraver will be moved to other post offices in the county to give all residents access to the device.

For those who want to mark their property now, a second engraver is available at the Minden OPP detachment.

Two voices better than one?

The announcement this week from the Chamber of Commerce that a tourist promotion division will be formed within the organization should be received as good news by county businessmen even though it may be the first step in the eventual destruction of the Chamber as we now know it.

The move will be applauded by merchants who felt they received little return from the sums the Chamber invested in tourist promotion. Likewise resort owners and others in the tourism business will have a clearly identified organization with a clearly defined budget to publicize this county.

Efforts in the past to show members of each group the benefits to be gained from acting in a co-operative fashion, have failed. Now, with the lines clearly drawn between tourism/convention promotion and regular Chamber activities, members will be able to identify which they support financially.

As these two groups move into their own separate spheres however, we can foresee the wrenching apart of the Chamber that may eventually leave it decimated.

It will be unfortunate if that occurs for, while the Chamber is not liked by all in the business community, it is the strongest voice the business people have in the county. Splitting that voice may appease the members for now, but it may eventually lead to two less effective representative groups in the future.

The festive touch

Its beginning to look a lot like Christmas, (to borrow a line from a popular song of the season), thanks to the efforts of the municipality and downtown merchants.

We prefer the trees to the baubles strung across the street but both add a festive touch to Minden's core. In addition, many merchants have brightened the pre-Christmas season with window decorations. Congratulations to all involved.

Coming up

Saturday, December 12 - A.C.W. Christmas Bake Sale at Coneybeare's Butcher Shop at 10 a.m.

Tuesday, December 15 - Annual Rotary Turkey Bingo at the Community Centre, Minden 7:30 p.m.

Wednesday, December 16 - W.I. Christmas meeting in the United Church Hall, Minden at 2 p.m.

Saturday, December 19 - Free movies for children at the Library/Cultural Centre from 2 to 3 p.m.

Non-profit organizations are invited to use this column to publicize their events of interest to the community. Details should be forwarded to The Times well in advance of the event. Drop in to our office on Bobcaygeon Road or call 286-1288.

Winter in the woods

Protests could become violent

- by John Eakins, M.P.P. -

A serious incident could happen in the Ontario Legislature, and this possibility was brought to light this week when two demonstrations took place. I suppose it is difficult to know when additional security should be added, or if we should allow our Legislature to be as open and free as possible.

Things are happening in our society today that people are turning to protest. On Thursday afternoon, a small group of farmers showed their anger from the Speaker's gallery, because of the very real problems that farmers face simply to just exist. The

problems and solutions must be addressed by both federal and provincial levels. It is not good enough anymore for the Honourable Lorne Henderson to simply say that it is a federal problem. Farmers today are not fooled by that play and they are right in wanting action.

Under pressure from our critic for Agriculture, Jack Riddell, M.P.P. the Minister of Agriculture has announced a one-time only grant program for beef producers, under which the province will pay \$40 a cow to Ontario beef-calf operators, if the cow had a calf in 1981. To be eligible, farmers must have had the

cow as of August 1, and must have a minimum of five cows. The head of the Ontario Federation of Agriculture, while not wishing to "look down on a \$20 million program", said it would still not be enough to get farmers out of their financial trouble.

Stuart Smith has called upon the Minister of Agriculture to fire his deputy for saying farmers should "quit crying the blues" and wait for provincial government assistance. Liberal Agriculture Critic, Jack Riddell, M.P.P. for Huron-Middlesex, told the Legislature that farmers are so upset about farm foreclosures and high interest rates that they are "forming vigilante groups to see that no-one, but no-one, tries to foreclose" on them.

Ontario's economy

In a lengthy speech about spending estimates for the Ministry of Treasury and Economics, the Treasurer spent half his time on "fed-bashing", Liberal Finance Critic David Peterson (London Centre) has complained. "We are in a major decline today in Ontario with all the layoffs. They are testimony to an eroded and corroded manufacturing sector", he said. "We need immediate aid in a number of areas and you have exhausted your option by this gargantuan purchase into Suncor", he told the Treasurer.

Prostheses coverage

The Minister of Health,

(more on page 6)

A letter, by Dickens

Editor:

It was brought to my attention by your front page note December 2, 1981 that THE TIMES must be slightly changed to a smaller format due to external influences. I appreciate this explanation though I was already aware of the change when I retrieved my copy from the mailbox; it felt lighter and appeared to be slightly different in size.

A quick read of the front page revealed the explanation.

However, a systematic and detailed investigation of THE TIMES did not disclose any announcement of a change or an intention of changing the annual subscription rates.

We are now into the third press week and there is still no notification that the issue is under consideration and that an appropriate figure would be announced. Please make

this issue a priority as I'm sure there are hundreds of subscribers waiting for the adjustment figure.

The new format is actually preferable since the good reporting of current events has not suffered and is still attractively presented; I can now press ten monetary bills between the pages of THE TIMES instead of the usual twelve, but this makes for easier tallying at the end of my fiscal year. Looking forward to a response, I remain, Ebenezer Scrooge.

My Dear Mr. Scrooge:

How clairvoyant of you. Yes, indeed, we were considering a subscription rate adjustment to coincide with our new format. However, after due consideration, we have decided not to raise the rates after all.

We wish you a spirit-filled Christmas. Editor.

Help us celebrate our second anniversary

FROM THE CHAMBER

By Bob Stinson

When the economy tightens up memberships in organizations such as our Chamber are often the first victims of restraint programs that are introduced. The reasons for not renewing, or not joining in the first place vary widely but we offer here a sampling of the most popular ones.

Can't afford it - This is probably the most often used reason and in some cases is very appropriate. There are some businesses operating so close to the line that every dollar must be used to keep their heads above water. In such cases we may, where the individual is frank and honest with us, be able to be of some assistance with direction or advice and the board may be able to arrange to continue the membership in some cases. Many, however, have not looked deeply enough to ask themselves if they can afford not to keep up their membership in the Chamber at a time when the combined efforts of themselves and other businessmen can be most effective. The Chamber is one organization in the County with the mandate to promote and lobby on behalf of the small business entrepreneurs and unless it is supported by the membership, it cannot do so now, when the need is so great.

Our business doesn't need any help from the Chamber - This is probably the least acceptable reason. It suggests that "I'm O.K. Jack, and I don't care about you!" To those fortunate enough to be in this position we suggest that being a member of the Chamber is one way to put something back into the community from which you are making a good living. If those who don't need help continue to support the Chamber so that it can assist those who do, we will have a healthier economy over-all. No man is an island and if the rest of the community is suffering, sooner or later so will you.

The Chamber doesn't do anything for me - This usually means they haven't come in the door and said that the Chamber of Commerce sent them. Everything the

Chamber does to generate traffic, activity and business anywhere in the community will if not directly, indirectly affect others in business. In addition the Chamber is open to any suggestions and ideas from anyone who feels there is a better way of doing things for the benefit of the business community.

The Chamber only promotes tourism - This comment comes from the observation that promoting Tourism has always been among our highest priorities. We have recognized that Tourism is the most significant part of our economy and have addressed ourselves to that concern. By setting up a Tourist and Convention Bureau within the Chamber the board has now given the members the option to direct their membership at whatever activities they wish and this reason can no longer be valid.

Nobody has called on me! - As the cost of travelling around the County increases and the responsibilities of the Chamber office continue to tie us down this reason will be heard more and more. We must appeal to the members of the business community in this regard however, help us hold our costs down by contacting us. This is, after all, your Chamber and you should be as concerned with saving it money as you are about saving your own.

My business is too small - It may be true in some communities that the Chamber is not interested in the concerns of small owner-operated businesses, but certainly not here in the Highlands. Of the

Chamber's three hundred odd members certainly the majority are in that category and our programs are designed with them in mind.

There are probably more reasons for not joining the Chamber, but there are even more reasons why you should. As we said it is your Chamber. It can be as large and effective as you want to make it and it can work on whatever concerns you feel it should. Take up the challenge - don't just be a member, be an active member.

John Eakins

(from page 4)

responding to Opposition questions, has stated that he has asked the Cabinet to approve coverage of the cost of prostheses under the Ontario Health Insurance Plan. Liberal Members Patrick Rêid (Rainy River) and David Peterson (London Centre) pointed out that the Opposition has been demanding OHIP payment for such items for more than five years.

Odometers

According to the Minister of Consumer and Commercial Affairs, the number one consumer fraud of rolling back odometers on used cars is increasing, due to high interest rates and the high cost of new cars. Dependable, low-mileage, used cars are in great demand, and "spinning" odometers has become even more popular among "unethical car sellers". Since the Ministry launched a crackdown on odometer tampering in 1979, over 1,000 charges have been laid against 249 private and registered car dealers in Metro Toronto alone.

Car rolls--driver charged

A car driven by Loretta Nesbitt of Minden, sustained \$4500 damage following a single vehicle mishap Friday afternoon. The accident occurred on Highway 35

south of Minden.

Police report that the 1978 Mercury left the roadway and rolled over. The driver was taken to Minden Red Cross Hospital for treatment.

Nesbitt has been charged with careless driving. Constable Boyd Jarvis is the investigating officer.

Charge laid

A charge of careless driving has been laid against James Chalk of R.R. 2 Minden following an accident early Saturday morning.

The man was driving on Highway 35 when his pick-up truck left the road, bounced across a rocky ditch, causing serious damage to the undercarriage.

The accident was investigated by Constable Jim Martin.

Vehicle stickers now available

Red 1982 motor vehicle licence stickers went on sale Tuesday, December 1 at 310 licence issuing offices throughout the province.

There will be no increases in fees — \$30 for a four-cylinder car, \$45 for a six, and \$60 for an eight with an engine replacement of less than 6.5 litres.

Owners of eight-cylinder cars with an engine displacement of more than 6.5 litres, registered after Dec. 1, 1977, pay \$80.

Trailer registration, now valid for the life of the vehicle, remains at the one-time fee of \$25.

Motorcycle and moped registration stickers remain at \$20 and \$5, respectively.

Sticker fees for privately-owned passenger cars and motorcycles in the northern part of the province remain at \$10.

For vehicle registration purposes, vehicle owners

must have an address in the territorial districts of Algoma, Cochrane, Kenora, Manitoulin, Parry Sound, Rainy River, Sudbury, Thunder Bay, Timiskaming and that portion of Nipissing lying north and west of Algonquin Park.

Fees for snowmobiles and historic vehicles are \$10, anywhere in Ontario.

To obtain a sticker, motorists are asked to fill out a licence renewal form available at all licence-issuing outlets, MTC offices and Ontario LCBO stores.

Information relating to the owner and vehicle, and providing for a declaration of proof of insurance is required.

All non-commercial vehicles must have a valid licence by midnight, February 28, 1982 if they are to be driven in Ontario.

The licensing office serving Minden and area is located at the Minden Boat Works on Highway 35.

PUCK TALK

Novice

The Minden Novice team has struck out for tougher pastures. The team officials have decided that the competition which the players are now meeting in the Tri-County League was not testing the mettle of the team. As a result, the novices have changed leagues and will be playing in the Ontario Minor Hockey Association loop where they will meet tougher competition.

The team was idle this past week and will test their new league Thursday night when they play in Fenelon Falls.

Atom

Like novice - like atom apparently, as the Minden Atoms will also be moving up to the more competitive OMHA league. In their last game in the Tri-County loop, the Atoms defeated Woodville 2-0. Joey Boyle and Robbie Ackerblade scored the goals for Minden, both unassisted. Tom Heppleston was in nets for Minden.

Pee Wee

Gord Wood scored the only goal for Minden as the Pee Wees were defeated 7-1 at the hands of Oakwood November 30. The game was played in Oakwood. Wood's goal was unassisted.

Back in Minden Saturday, the team was defeated by Beaverton, the final score 6-2. Gord Wood scored for Minden on an unassisted effort and gained an assist on a goal by John Wells.

Bantam

The Fenelon Falls Bantam team defeated Minden 6-4 in a game played Saturday in Minden. Fenelon established a lead early in the game and were able to hold onto it despite a strong effort by Minden in the final period. Scoring for Minden were: in the first period, Paul Walker from Greg Newell, in the second frame, Greg Newell from Gord Wood and, in the final period, Daryl Ward

Home defeats Hall's

In Monday night action at the Minden arena, Home Hardware defeated Hall's Insurance by a 8-6 margin. The game was one of two played in the Minden Men's Recreational Hockey League.

In the second contest, the Rockcliffe Hotel Foam Blowers and Hartwick Construction battled to a 7-7 draw.

The teams play each Monday evening at the arena, game time for the first match is 7 p.m.

from Greg Newell; and Craig Burk from Daryl Wood and John Ballantyne. Both third period goals came in the last minute of play.

Midget

Andrew Shapiera scored two goals to lead the Minden Midgets to a 4-3 win over Bobcaygeon. The game was played Thursday in Bobcaygeon.

Shapiera scored the only goal of the first period to give Minden the lead with assists going to Harold Cowen and Scott Hamilton. Three minutes into the second period, Shapiera scored again, with assists going to Eldon Bull and Tim Wood. Scott Hamilton scored for Minden from Rob MacLeod and then MacLeod tallied

with an assist going to Doug Schell.

Bobcaygeon managed three goals before the second period closed, but were unable to break the Minden edge. There was no scoring in the final period.

The schedule

Friday, December 11: 8 p.m. - Bobcaygeon Juveniles at Minden.

Friday, December 11: 8:30 p.m. - Minden Midgets at Haliburton.

Saturday, December 12: Minden hosts the Ontario Minor Hockey Association Bantam tournament. Eight teams will be taking part in the contest, including last year's champions Otonabee and the consolation champs from Haliburton. The first game gets underway at 9 a.m. with contests on the hour throughout the day. The opening round schedule includes: 9 a.m. Minden vs. Fenelon Falls; 10 a.m. Haliburton vs. Lindsay; 11:00 a.m. Powassan vs. the Oshawa Burger Bruins; 12 noon George Street (Peterborough) vs. Oshawa Brookside Park. Come out and support our team.

Huskies delight Minden crowd with 11-7 win

The Haliburton Huskies treated their Minden fans to a win Sunday afternoon as they downed the Penetang Kings 11-7. The victory was the second one for the Huskies as they took the Gravenhurst Indians to the cleaners Friday evening in Gravenhurst, demolishing their hosts 15-4.

Ron Yake led the Huskies' attack Friday evening scoring four goals and assisting on five others. Included in his scoring effort was a hat trick, in the true sense of the word, three goals scored consecutively. The three goal effort came in the second period with Tim Davies assisting on all three and Scott Arbuthnot helping on one and Dave Nicholls on the other two.

Chris Hodgson also scored three goals for the Huskies as well as picking up a single assist.

Just about everyone on the Huskies bench shared in the Friday evening scoring spree: Dave Nicholls picked up a pair and three assists; Tim Davies potted two and assisted on six other goals; single goals were scored by Ron Abbs who assisted on one other; Scott Arbuthnot who assisted on three; Shaun Chapman; and Jim Lee. Assisting on the scoring spree were Darrin MacInnes with two; Corey Walker with a pair; and Don Manary and Duff Mitchell with a single

assist each.

Protecting the Huskies net was Colin Newell who made a number of key saves. He was instrumental in both games in keeping the goals against the Huskies on the low side.

Sunday game

Despite the 4:30 p.m. start Sunday afternoon, a reasonable crowd was on hand to greet the Huskies as they played their first game of the season in Minden. The middle stanza lacked finesse, but generally the audience was treated to an entertaining afternoon of hockey.

Once again the Huskies' attack was led by Yake, Nicholls and Davies. Yake and Nicholls each scored three goals with Nicholls assisting on five others and Yake contributing on four more. Tim Davies scored two goals and assisted on five. Also scoring a pair was Scott Arbuthnot. He also picked up an assist.

The other Huskies goal came from Shaun Chapman. Assists were awarded to Corey Walker with two and Rob Abbs and Ed Davis with one each.

The Huskies will be back in Minden January 10.

This Friday the Huskies travel to Bracebridge for an 8:30 p.m. encounter. Back on home ice Saturday evening, the Huskies meet Midland in a game that is slated for 8 p.m.

Haliburton Huskies player Corey Walker, 14, and Penetang goaltender Jeff Hogg look in the net for the puck. The action was part of a game Sunday at the Minden arena which saw the Huskies defeat their visitors 11-7. The puck became lost in the shuffle and can be seen on the ice just behind Walker.

Steamrollers stay on top

The Steamrollers kept on top by winning a total of 19 points during bowling on December 1. The Road Runners edged into second place with 16 points putting the Troopers into third place. Fourth, fifth and sixth places are held by the Bloopers,

Haliburton Bantams take "B" consolation

The Haliburton Bantams were awarded the "B" consolation championship during the Hodgson Memorial Hockey tournament held during the weekend in Haliburton. The team was then narrowly defeated by the "B" champions, Parkhill, in a special play-off game following the regular elimination play-downs. Parkhill edged the Haliburton team 1-0.

The consolation championship win followed a 6-0 defeat of North Bay.

In the "A" championship, Aurora captured top honours while the team from Oshawa won the consolation championship. When the two teams met in the final game, Aurora won 5-1.

The Haliburton goalie, Vince Duchene, was named best goalie in the "B" series.

Misfits and Dambusters respectively.

Triples over 600 were rolled by Ruby Francis 633, Virna Wagg 696 and Millie Boskett 613.

Games of 200 and over were rolled by Gloria Nimigon 224, Harry Henderson 273, Virna Wagg 246 & 297, Millie Boskett 207 & 237, Tom Hurtt 216, Nick Nimigon 206, Lloyd Boskett 220, Eva Piper 249, Isabelle Saunders 226, Linda Salvatori 204, Ruby Francis 263 and Gladys Wruth 209.

WE NEED YOUR NOMINATIONS FOR JUNIOR CITIZEN OF THE YEAR AWARD

(DEADLINE: DECEMBER 1, 1981)

Purpose of Awards

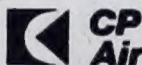

Inaugurated in Ontario to provide recognition for outstanding achievements or acts of courage and initiative by boys and girls between the ages of six and 18 years. The program will also include individual awards presented for meritorious conduct on a sustained basis, plus special group awards to recognize the efforts of young people throughout the communities of the province.

Noteworthy deeds of Ontario boys and girls are performed within their communities. Only by having them drawn to our attention by local nominators and newspaper editors will we be able to honour these worthy young citizens and give them the public recognition they so richly deserve.

Who Is Eligible?

The award nominees will be individuals or groups who have performed acts of physical heroism, perhaps endangering their own lives, overcoming disabling physical or psychological handicaps to match or exceed their fellows, or being involved in some worthwhile community service endeavour.

The skirl of the pipes sounded on Minden's Main Street Saturday to mark the opening of a new gift shop, Sandalwood. The shop is located in the former Candlewood premises near the bridge and offers a selection of books and quality gifts. Store owners Martha Waind and Elizabeth Skinner listen as piper Kevin Abby sounds a welcome.

Property claimed - police still have several boats

As a result of a story which appeared in last week's paper, a number of items which had been turned over to police as lost, have been claimed.

However, Constable Gary Chapman reports that the detachment still has a number of items including a large number of boats, which are, as yet, unclaimed.

Police procedures request that individuals who find boats washed up on their shore, secure or beach the craft. The police then make an

effort to identify the owner through the registration numbers on the craft or other means. If the owner cannot be located, the finder is requested to hold the boat until the person contacts the police or finds the boat through his own search. If an owner cannot be found, the finder has first claim on the property.

"This season there are again a few boats which were never claimed," Constable Chapman reported. He asked that

boat owners check to ensure their crafts are securely tied down for the winter. Anyone who finds his boat is missing, should contact the Minden OPP detachment as soon as possible.

Two other "found" items remain unclaimed at the OPP office. The owner of a roach clip has yet to come forward to claim the item and offer an explanation as to what he or she was doing with it. As well a tombstone remains in the "found" locker at the office.

Poppers recalled

Owners of "POP POP POPCORN" makers should stop using them immediately because of a potential fire hazard, according to the Canadian Standards Association (CSA) and the manufacturer, Charlescraft Corporation, Toronto.

Investigations by CSA and Charlescraft reveal a potential fire hazard if the popping chamber becomes jammed. CSA has received four complaints of these appliances igniting. All fires were confined to the product. There were no reports of injuries.

The hot air corn poppers

being recalled will bear the following marking:

Model MP-1 "POP POP POPCORN MACHINE"
125VAC, 60Hz, 1000W.
CSA LR 46211

The manufacturer is requesting the units be returned prepaid to the following address for a minor modification. Once modified,

they will be returned prepaid directly to the customer.

Charlescraft Corporation Ltd., 127 Brockhouse Road, Toronto, Ont. M8W 2X1.

Modified units will have an "R" marked on the base of the cornpopper.

Financial help available for beef farmers in Ontario

- Agricultural report -

Last week, Ontario Agriculture and Food Minister Lorne Henderson announced 2 assistance programs for beef producers in Ontario.

The first is a grant of \$40 per eligible cow to beef calf producers who kept a breeding herd of beef type cows during 1981.

To be eligible the farmer must be a resident of Ontario in 1981, and he must have owned a minimum of 5 eligible cows on August 1st, 1981.

All the females which a farmer owned on August 1st and which had a calf or will have a calf sometime in 1981, are eligible.

Cows which produced milk which is marketed under a quota are not eligible. That means that cows which produced cream can be included as beef cows.

August 1st, 1981 is the key date in this program. Any cows sold after August 1st are eligible as long as the farmer has a receipt for them.

As usual, all applicants are subject to audit and we expect a number of herds will be spot checked.

The second assistance program is for stocker cattle. Farmers who raised 10 or more of their own calves until they weighed at least 600 pounds, then sold them as stockers in 1980, are eligible for a \$20 grant per animal.

Earlier this year a stocker program provided grants for those farmers who purchased stocker calves, raised them for at least 150 days then sold them for finishing. That program ended on November 30.

This new program will apply to many of the cow-calf producers in Victoria & Haliburton Counties who raised their own calves and sold them for finishing. Please note that these animals had to be sold in 1980 and had to weigh at least 600 pounds when sold to be eligible.

The deadline for applying for both the cow and stocker grants is February 26, 1982.

Completing applications

The Ministry of Agriculture & Food is prepared to handle applications as quickly as possible, with the hope that many producers can receive

their payment before the end of December. As a result all of the applications must be signed by someone from the county Agricultural Office.

Since there could be close to 900 farmers apply in Victoria & Haliburton Counties, we decided that the easiest way to handle this was

to hold a series of 9 meetings for beef producers.

These meetings started last Thursday and ended on Wednesday, December 9.

Several hundred farmers attended these meetings and their applications are now being processed in Toronto.

If you are eligible for one of these grants, but missed the meetings, there is still lots of time to get your application completed before the deadline of February 26. Application forms will be available at the various farmer meetings in January or can be completed at the Lindsay Agricultural Office during regular office hours.

O CHRIST OF CHRISTMAS

Come to us as a living presence and make thy home in our hearts to guide, comfort, strengthen, and sustain. May we catch something of the joy of the angels as we think of THY great love for all the world. In the midst of our giving to others we would not forget the Great Gift! Amen.

Eakins concerned about cut in trail funding

The following statement was released recently by Victoria-Haliburton MPP John Eakins concerning the cut in funding for snowmobile trail maintenance in the province.

I am greatly concerned over the intentions of the Minister of Natural Resources, as expressed in his statements during the estimates of his ministry to discontinue provincial assistance to winter trail clubs for the maintenance and development of snowmobile and cross-country ski trails.

The Province of Ontario derives immense benefit from snowmobiling, both by providing a healthy and enjoyable source of recreation to all our residents and by constantly increasing our tourist industry.

Yet the Minister has announced that his ministry's grant program under the Winter Trails Recreation Program is to be discontinued

next year. Moreover, funding levels for this year — the final year for the program — is yet to be established. No doubt it will be greatly decreased from previous year's commitments.

It was as recently as last year that the former Minister of Natural Resources, James Auld, expressed his support for this program because of the substantial benefits to be derived from this sport and stated that "in times like these when some non-essential support programs have had to be cut or eliminated, government support for snowmobiling has been maintained at its previous level".

It disturbs me to know that the present Minister does not recognize the importance of this form of recreation and support the intentions of the previous minister. I would urge that he reconsider his position and not eliminate the Winter Trails Grants Programs.

NOTICE to advertisers

THE TIMES special Christmas greeting section will be published with the regular edition of the paper during the week of December 20.

The deadline for Christmas greetings advertisements will be Friday December 18. Advertising for the regular edition must be received by 4 p.m., Monday December 21.

THE TIMES office will be closed December 23, 24, 25, 26, and 27 for Christmas holidays.

The office will re-open December 28 and a paper will be published December 30 as usual.

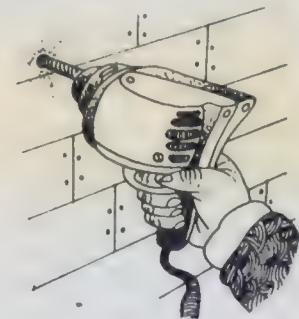

The office will be closed January 1.

Around the Town

by Jeanne Sears

As everyone knows things come to an end; Unlike Credit cards which don't even bend.

It was July 6, 1968 when I first began, To write a column "Around the Town".

Now my head is weary, my fingers are tired,

It's sure time that old type-writer of mine is retired!

So this month is all that I have left

And I hope my ideas are deft.

To staff at this weekly and readers as well,

We can't all be leaders, you can sure tell.

My successor, I'm sure, will bring new life and interest

So you won't be so depressed,

By winter, snow, freezing cold, and blustery winds.

So on Mondays and every day, you will find,

Time to call her and help her to fill,

Her pages with items, some good and some ill.

Jay

The Lloyd Johnsons enjoyed the family Christmas Party on Saturday at the Grays (their daughter) of Mississauga.

Sincere sympathy goes to the families and friends of the late Stan Birmingham and Arthur Cooke who passed away since last week.

Recent guests with Mrs. Taylor Kernohan included Mrs. June Pollette of Peterborough, and Bud Kernohan, Cindy and Julie of Oshawa.

Mrs. Vera Cowan is presently visiting with her daughter, Mrs. Henry Gibson at Little Hawk River.

At the weekly Mini Card Party at St. Paul's Parish Hall last Thursday afternoon, winners were for cribbage Gladys Wruth and Cora Hewitt, for euchre lone hands Irene Houghton and Evelyn Robertson and Diane Warnes.

Lynn and Craig Morrison of Toronto were weekend guests with his mother, Mrs. H. Morrison.

The community sends good wishes to these people who may still be in hospital, Irene Stewart, Arnold Gartshore, Nell Anderson, Elmer Crawford and Roy Crawford.

Carol, Reg and Karen Leaman from Keswick dropped in for dinner with Mr. and Mrs. M. Sears on Sunday.

Margaret Frise, a former resident, of Richmond Hill enjoyed a weekend with the Bob Emmersons.

The Kinsmen and hydro crew were busy as we note the lights and Christmas trees

with colourful lights are up in various parts of the town; puts you in a holiday mood.

Were you in town on Saturday in time to hear the pipes for the opening of Sandalwood. Hope they find this a successful venture.

Miss Samantha Dobbs from Toronto and her mother, Pearl, visited with the Beers family and other friends over the weekend.

Dave Henderson of Oshawa was in our village over the weekend.

Many people who came to the Library on Saturday afternoon, went in to see the Art in the Gallery. Have you seen this yet?

Hint I saw in the Toronto Star - if you need a cold pack for a bruise or sprain, use a frozen peas package. These will adapt to the place and shape, can be re-frozen or thrown away and may even be cheaper than buying ice cubes.

If there's someone you can laugh with, Joyce, Till the tears run down your face, If there's someone you can turn to,

When you need a helping hand, If there's someone you can count on

To advise and understand, If there's someone you can sit with

And not need to say a word, If there's someone you can trust,

To keep each confidence she's heard,

If there's someone you think more of,

As each year comes to an end, You're a very lucky person for you

Have found a special friend!

Anon

The Christmas Bazaars and luncheons are over for our village, now to get down to the last minute chores. Plan what you have to do, and do the hardest job first and mark it off the list, soon you will be all ready, I hope, I hope!

Several coming events, A.C.W. Bake Sale at Coneybeare's Store Saturday, December 12 at 10 a.m.; The W.I. Christmas Meeting at the United Church Hall on December 16th at 2 with all ladies welcome; then free children's movies at Library Culture Centre from 2 - 3 on December 19. Cheerio until next time.

Lines from Lutterworth

by Jean Lacey

Hi! Our snow is staying away, although it sure doesn't make it feel like Christmas. Hope we have some for that day.

Have you got your baking done yet? I'm not even started. I'll get to it one of these days.

Don't forget the A.C.W. Christmas bake sale Saturday December 12, at 10 a.m. in Coneybeare's Butcher Shop. If you go there you won't have to do any baking for Christmas.

Ken and Jeanne with Kevin and Heather celebrated the first birthday of their first grandson, Ross Bowron, on Sunday, December 5.

Lil Porter went to Oshawa over the weekend, to visit with her son and his family, and her daughter and family.

So sorry to hear of the passing of Mrs. Lloyd Brohm, last week. Our prayers and condolences are with Pam and Dean Swinson and the rest of the family.

So sorry to hear of Loretta Nesbitt's accident on the weekend. Hope she is up and about soon.

Hope Curtis Gartshore is

feeling better after his accident on the weekend.

There seemed to be quite a good turnout for the rabies vaccination clinic on Saturday. It is a very good thing for the community. I hope everyone took their animals for the shots.

Hint of the Week

Would you believe, a hair dryer will start your car? Before calling a tow truck on cold mornings, remember this: your car will start is you blow hot air on the carburetor from a hair dryer. It really works.

No matter what happens, there is always someone who knew it would.

Kids Korner

Had a Christmas Card from my two dear little friends from Calgary. Esther and David Austen. They sent me some jokes which are printed below.

Hector Protector

by Brian Alderson

Hector Protector was dressed all in green; Hector Protector was sent to the Queen.

The Queen did not like him, No more did the King;

So Hector Protector was sent

Sunday night in the Chapel Harold Thompson read the lesson from the 9th Chapter of Luke. Rev. Burgess spoke on "This is my beloved Son, hear Him". Mrs. Thompson played and sang. A very nice service. Monday night we watched two nice movies. The ladies are busy getting ready for Christmas, especially Millie Wood who has made some sixty snowmen for serviette holders.

Tuesday morning the Rev. George Elliott of the Minden Anglican Church held a lovely Communion service here. It was the beginning of Advent. Our girls Agnes and Barbara came to play and sing for us. They have sweet voices. Thank you all for coming and having this sacred hour together.

Tuesday night is music night. We look

forward to this time together but our guests couldn't get here because of real bad weather. I knew the residents would just nearly have a fit so I played the harmonica to cheer them up a bit.

The Coboconk happy wanderers went wandering Wednesday afternoon. Came wandering into Hyland Crest to sing a merry tune. They played and sang some good old songs for us as in the days of yore. They also sang some real nice songs, we hadn't heard before. They sang Bless this House and the Hallelujah Chorus. No matter what they did, they surely didn't bore us. They also put on for us a real exciting skit. The hour or more they spent with us, we loved it every bit. From all of us we say a big thank you. We hope you will wander in again in nineteen eighty two.

Thursday afternoon is lunch time here at Hyland Crest. A group of ladies always come and are our welcome

guests. Today a group of ladies from the Haliburton Eastern Star

brought into us a lovely lunch. I guess they came by car. We would like to

thank all the ladies from country or from town who bring our lunches every week and never let us down.

I would like to say a few words about our cleaning ladies. Joan, Barbara and Pat, they clean our rooms and polish floors and know just where they're at. They are always willing to lend a helping hand. My wife and I both think that they are really grand.

Friday afternoon it is sing song time again. I would like to see appear just a few more men. I would like to hear what some other folks proposes. I just feel like a thorn surrounded by many roses.

Mrs. Coburn and Norma come and never let us down. I hope some day they both receive a lovely golden crown.

I think I'll close my letter now. I have nothing more to tell. If you could come to visit us some time I think it would be swell.

Until next week.

CARD OF THANKS

Thanks to Peter, Dennis O'Toole and "Tree" for their assistance Sunday in raising THE TIMES Christmas tree. Appreciation as well to Gino, David and Peter for the ladders and to Sue for parting (albeit somewhat emotionally) with her favourite tree in the whole forest. 12B

The Highlands Little Theatre wish to thank the following for their invaluable assistance in the recent production of Plaza Suite which was such a success. Jack Brezina, Campbell's Flowers, Bill Douglas, Don Johnson, Bob Mann, Minden Texaco, Nancy's Flowers, Paulette's, Mel & Willow Petrant, T.D. Bank, Minden, Wig-a-Mog Inn.

IN MEMORIAM

HARRISON: - In loving memory of my dear son Gordon who passed away December 6, 1979.

This day comes with deep regret
It brings the day we'll never forget
So many things have happened
Gordon
Since you were called away
So many things to share with you
Had you been left to stay
A cluster of precious memories
Sprinkled with love and fears
Wishing that God had spared you
If only for a few more years.
We try hard to understand,
The tears in our eyes we wipe away,

IN MEMORIAM

But the pain in our hearts is here to stay
If we could make one wish today
And know it would come true
We'd telephone to heaven and ask to speak to you, Gordon.

Sadly missed by Mom and brother Harold.
